

Thank you for your interest in the Syracuse Habitat for Humanity ReStore. We are a nonprofit home improvement store and donation center, selling new and used building materials to the general public at a fraction of retail prices. All proceeds are used to support Syracuse Habitat for Humanity in our mission to provide homeownership opportunities for low-income families in our area.

We accept most new or used items in **good, clean, working condition**. Unfortunately, due to current inventory, space limitations, and donation condition, there may be some donations we cannot accept, even if they are on this list. All items are subject to staff approval. Please contact us with any questions at **315-475-9172** or via email at restore@syracusehabitat.org.

We will gladly accept the following materials as donations:

Appliances

- Refrigerators
- Freezers
- Stoves & Ovens (electric or gas)
